PROFESSIONAL SUMMARY

Data and business analyst with hands-on experience in workforce reporting, dashboard development, and data management. Skilled in Excel, SQL, Python, Power BI, and Looker Studio to clean, analyze, and visualize data into actionable insights for KPI monitoring, reporting, and decision support. Detail-oriented and proactive, with experience handling employee, sales, and operational data to improve reporting accuracy and support business decisions.

EDUCATION

Sepuluh Nopember Institute of Technology (ITS) Jul 2022 - Aug 2026 (Expected)
Applied Bachelor of Business Statistics, 3.75/4.00

SKILLS AND TOOLS

- **Data Analytics:** Excel, SQL, Python, Power Query, RStudio
- **Data Visualization:** Power BI, Looker Studio, Tableau
- **Automation:** Google Apps Script, Generative AI

EXPERIENCE

PT Borwita Citra Prima Jan 2026 - July 2026
HC Analyst OTD (Internship)

- Collected, cleaned, validated, and maintained 10,000+ employee records from multiple internal sources to ensure accurate and consistent data for reporting and analysis.
- Analyzed workforce data to identify patterns, trends, and insights, and presented findings through interactive Looker Studio dashboards for stakeholder reporting and decision support.
- Developed and maintained a web-based Internship & Talent Management System to centralize data for 40+ interns and 86 recruitment requests, reducing weekly recap processing time by 98%.
- Supported workforce research and manpower planning by reviewing employee data across department, job level, and region, providing insights for OTD follow-up and decision-making.

PT PLN Nusantara Power Jan 2025 - Feb 2025
Good Corporate Governance (Internship)

- Compiled and validated 1,000+ governance, operational, and sustainability data points across 15+ reporting modules, transforming raw data into structured inputs for annual and sustainability reporting.
- Reviewed and analyzed 20+ corporate indicators to ensure data consistency and reporting accuracy across GCG, risk maturity, and operational statistics for the PLN NP Statistics Report 2024.

Institut Teknologi Sepuluh Nopember Mar 2025 - Jun 2025
Statistical Quality Control (Assistant Lecturer)

- Facilitated SQC lab sessions for 30+ students per class, translating complex concepts into applied exercises on control charts, process capability, and acceptance sampling using Excel and Minitab; contributed to average student assessment scores above 80/100.

Experimental Design (Assistant Lecturer) Sep 2024 - Dec 2024

- Led laboratory sessions on Design of Experiments (CRD and RCBD) for 30+ students per class using Excel and Minitab, guiding experiment setup, data analysis, and interpretation; contributed to average practical assessment scores above 80/100.

PROJECT

- Built an end-to-end Food Service sales analytics pipeline (Excel, MySQL, Python, Power BI/DAX) processing 6,000+ transactions to track daily STD/STT and CWO by distributor, automate sales anomaly detection, and power a 4-page RFM-segmented dashboard for management decision-making. [\[LINK\]](#)
- Sales & Inventory Decision Support System, designed a normalized SQL database (7 tables, 31K+ records), built a Python forecasting and anomaly detection pipeline that identified a 64.3% branch sales deviation, and developed a 5-page interactive Power BI dashboard with actionable business recommendations. [\[LINK\]](#)
- Built an Excel-based sales and customer analytics workbook using SUMIFS, INDEX-MATCH, and PivotTables across 12 sheets with 24,800+ live formulas for Pareto (80/20) and RFM segmentation analysis, presented via an interactive dashboard with slicers. [\[LINK\]](#)

ORGANIZATIONAL EXPERIENCE (Selected)

Himpunan Mahasiswa Diploma Statistika ITS <i>Head of Advocacy and Student Welfare Division</i>	Jan 2025 - Dec 2025
- Led the Advocacy and Student Welfare Division by coordinating a 3-member team to execute academic support and student welfare programs for Business Statistics students. - Coordinated major academic initiatives, including a Scholarship Preparation Webinar (100+ participants; 15% scholarship applicants vs 10% target) and a 10-session exam tutorial program with 300+ participants and 98.1% satisfaction rate.	

ACHIEVEMENT

Awardee of HETI ADB ITS Funding 2025 <i>Institut Teknologi Sepuluh Nopember</i>	July 2025
Awardee of ITS Youth Entrepreneurship Funding 2024 <i>Institut Teknologi Sepuluh Nopember</i>	Oct 2024
1st Runner-Up Seventseas BPC <i>Universitas Brawijaya</i>	Sep 2024
Awardee of PKM-K 2024 Funding by Kemendikbudristek <i>Institut Teknologi Sepuluh Nopember</i>	Apr 2024
